**SCHEDULING ORDER**

This 18<sup>th</sup> day of May, 2005, the Court having conducted an initial Rule 16 scheduling and planning conference pursuant to Local Rule 16.2(a) on May 17, 2005, and the parties having determined after discussion that the matter cannot be resolved at this juncture by settlement, voluntary mediation, or binding arbitration;

IT IS ORDERED that:

1. **Rule 26(a)(1) Initial Disclosures.** Within ten (10) days of the date of this Order, the parties shall make their initial disclosures pursuant to Federal Rule of Civil Procedure 26(a)(1).
2. **Joinder of other Parties and Amendment of Pleadings.** All motions to join other parties, and to amend or supplement the pleadings shall be filed on or before June 30, 2005.
3. **Discovery.**
  - a. **Limitation on Hours for Deposition Discovery.** Each side is limited to a total of twenty (20) hours of taking testimony by deposition upon oral examination.

b. **Location of Depositions.** Any party or representative (officer, director, or managing agent) of a party filing a civil action in this district must ordinarily be required, upon request, to submit to a deposition at a place designated within this District. Exceptions to this general rule may be made by order of the Court. A defendant who becomes a counterclaimant, cross-claimant, or third-party plaintiff shall be considered as having filed an action in this Court for the purpose of this provision.

c. **Discovery Cut Off.** All discovery in this case shall be initiated so that it will be completed on or before July 22, 2005. The Court encourages the parties to serve and respond to contention interrogatories early in the case. Unless otherwise ordered by the Court, the limitations on discovery set forth in Local Rule 26.1 shall be strictly observed.

d. **Disclosure of Expert Testimony.** Unless otherwise agreed to by the parties, they shall file their initial Federal Rule of Civil Procedure 26(a)(2) disclosures of expert testimony on or before thirty days before the date of the completion of discovery; and they shall file a supplemental disclosure to contradict or rebut evidence on the same subject matter identified by another party thirty days before the date for the completion of discovery. To the extent an objection to expert testimony is made pursuant to the principles announced in Daubert v. Merrell Dow Pharmaceutical, Inc., 509 U.S. 579 (1993), it shall be made by motion no later than the deadline for dispositive motions set forth herein, unless otherwise ordered by the Court.

e. **Discovery Disputes.** Should counsel find they are unable to resolve a discovery dispute, the party seeking the relief shall contact Chambers at (302) 573-6001 to schedule a telephone conference. Not less than forty-eight hours prior to the conference, the party seeking relief shall file with the Court a letter, not to exceed three pages, outlining the issues in

dispute and its position on those issues. (The Court does not seek extensive argument or authorities at this point; it seeks simply a statement of the issue to be addressed and or summary of the basis for the party's position on the issue.) Not less than twenty-four hours prior to the conference, any party opposing the application for relief may file a letter, not to exceed three pages, outlining that party's reasons for its opposition. Should the Court find further briefing necessary upon conclusion of the teleconference, the Court will order it. Disputes over protective orders are to be addressed in the first instance in accordance with this paragraph.

4. **Application to Court for Protective Order.** Should counsel find it will be necessary to apply to the Court for a protective order specifying terms and conditions for the disclosure of confidential information, counsel should confer and attempt to reach an agreement on a proposed form of order and submit it to the Court within ten days from the date of this Order. Should counsel be unable to reach an agreement on a proposed form of order, then counsel must first follow the provisions of Paragraph 3.e. above.

Any proposed order should include the following paragraph:

**Other Proceedings.** By entering this order and limiting the disclosure of information in this case, the Court does not intend to preclude another court from finding that information may be relevant and subject to disclosure in another case. Any person or party subject to this order who becomes subject to a motion to disclose another party's information designated as "confidential" pursuant to this order shall promptly notify that party of the motion so that the party may have an opportunity to appear and be heard on whether that information shall be disclosed.

5. **Papers Filed Under Seal.** When filing papers under seal, counsel should deliver to the Clerk an original and one copy of the papers.

6. **Settlement Conference.** Pursuant to 28 U.S.C. § 636, this matter is referred to the United States Magistrate Judge for the purpose of exploring the possibility of a settlement. The Magistrate Judge will schedule a settlement conference with counsel and their clients to be held within ninety days from the date of this Order.

7. **Case Dispositive Motions.** All case dispositive motions, an opening brief, and affidavits, if any, in support of the motion shall be served and filed on or before August 22, 2005. Briefing will be presented pursuant to the Court's Local Rules.

8. **Applications by Motion.** Except as otherwise specified herein, any application to the Court shall be by written motion filed with the Clerk. Unless otherwise requested by the Court, counsel shall not deliver copies of papers or correspondence to Chambers. Any non-dispositive motion should contain the statement required by Local Rule 7.1.1.

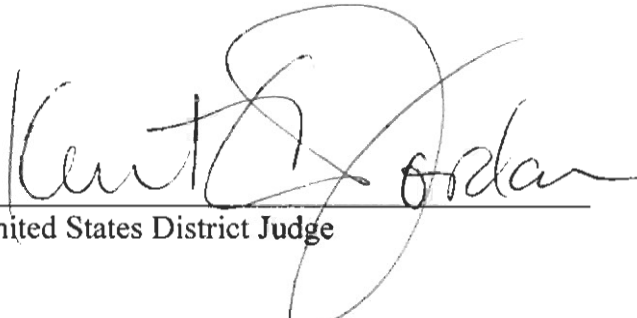

9. **Pretrial Conference.** On November 16, 2005, the Court will hold a Final Pretrial Conference with counsel beginning at 4:30 p.m. Unless otherwise ordered by the Court, the parties should assume that filing the pretrial order satisfies the pretrial disclosure requirement of Federal Rule of Civil Procedure 26(a)(3). The parties shall file with the Court the joint proposed pretrial order with the information required by the form of Final Pretrial Order which accompanies this Scheduling Order on or before October 17, 2005.

10. **Motions In Limine.** Motions *in limine* shall not be separately filed. All *in limine* requests and responses shall be set forth in the proposed pretrial order. Each party shall be limited to five *in limine* requests, unless otherwise permitted by the Court. The motion and response thereto shall contain the authorities relied upon, and no single *in limine* request shall have more than five pages of argument associated with it. No separate briefing shall be submitted on *in*

*limine* requests, unless otherwise permitted by the Court

11. **Jury Instructions, Voir Dire, and Special Verdict Forms.** Where a case is to be tried by a jury, pursuant to Local Rules 47 and 51 the parties should file proposed voir dire, instructions to the jury, and special verdicts and interrogatories three full business days before the final pretrial conference. The submission shall be accompanied by a computer diskette (in WordPerfect format) which contains a copy of these instructions and proposed voir dire and special verdicts and interrogatories.

12. **Trial.** This matter is scheduled for a three-day jury trial beginning at 9:30 a.m. on November 29, 2005 and continuing on November 30 and December 1, 2005. For the purpose of completing pretrial preparations, counsel should plan on each side being allocated a total of 7.5 hours to present their case.

United States District Judge
